

Australian Wildlife Society

# Youth Conservation Award

## Nomination Form

The youth of Australia make significant contributions to the conservation movement through innovative projects and ideas. It is young people who can drive lasting and sustainable change who will become the next ambassadors in environmental conservation and hopefully the successors to the current board of the Australian Wildlife Society. We aim to inspire young people to have a stake in environmental conservation by rewarding and recognising their efforts. The Society will present an award of \$1,000 to a young individual or small organisation contributing to Australian wildlife conservation. A trophy and certificate will accompany the award.

Persons may nominate themselves or they may choose to nominate a third party who they believe should receive recognition. All nominations must be supported by a referee (see below).
